Dear Vendor,

With the kick off of the summer season quickly approaching, The Roosevelt Chamber of Commerce for the last five years has been hosting our Annual “Unity in the Community Festival & Car Show” in the Community of Roosevelt. It is our intention, with your support and participation to make this year’s 2018 5th Annual “Unity in the Community Festival & Car Show” one that all of us can be proud of. Please support the event and help pass along this information to your business associates and friends that we are looking for **Vendors** to participate in this year’s event. Come out and have a great time with us in Roosevelt. Last year we had over 1,000 residents at our event and this year we expect to easily surpass that number.
